Welcome to the MonteCarloForum.com Traveling T-Shirt Game!

My name is Jason, and I am one of the current site administrators of MonteCarloForum.com (my username on the forum is The_Maniac).

If you are not a member of MonteCarloForum.com (known as MCF), I encourage you to sign up and join! MCF has been around longer than Facebook, and MCF is not affiliated with the Facebook group. Currently, MCF is mostly 6th Gen Monte Carlo owners/enthusiasts, but we welcome all Monte Carlo owners and are always looking for owners of the earlier generations to show off vehicles, start discussions, and of course, assist other members.

The T-shirt concept was originally started in 2010 by member lucian*91. Unfortunately, the original T-shirt was lost and never recovered. This shirt you received was started in 2015 by member Budsjlm. The idea behind this shirt is to bring all of us Monte Carlo enthusiasts together by passing/signing this T-shirt and getting pics with our Montes that we share a passion for. A fun game to help connect us.

Unfortunately, at some point, the traveling came to a halt. As the site administrator, I have been in possession of this shirt. I have worked with Callie, President of the Monte Carlo Car Club of North America (MCCCNA). We would like to restart the traveling T-shirt expansion from MCF to also include MCCCNA members.

Rules are simple:

- Do NOT wear the shirt.
- Avoid doing something with the shirt where it might get dirty, as washing it may not be safe for the signatures.
- Sign the shirt, but be courteous with your signature size, as it has limited space.
- Grab the shirt and your Monte Carlo, and take some fun pictures. Perhaps there are interesting landmarks near you, or you can meet up with other Monte Carlo owners. Looking for ideas, a link below is provided to where previous holders of the shirt posted pictures.
- Log in or sign up to MCF and post your pictures.
- Contact me either by email at The.Maniac404@gmail.com or PM me on MCF. Use the subject "MCF T-Shirt". I will coordinate whether the T-shirt will be shipped to another member or returned to me. Make sure this letter and the Sharpie marker are included with the shirt.
- If for some reason I do not reply in 48 hours, please re-try. If I don't respond a second time, please post in the discussion thread linked below.
- Try not to hold on to the shirt for more than one-two weeks. Contact me if there is an issue.
- Shipping the T-shirt MUST include a tracking number. That number needs to be provided to me once it is generated. Shipping is at the current holder's expense. I suggest the USPS Flat Rate padded envelopes. The envelope is free from USPS, you just have to pay when you ship.
- Please do not send it or hand it to another person without clearing it with me first (as there may be someone else waiting in line to receive it).

Here are links to MCF about the T-Shirt (TinyURL was used to make them easier to type into your browser).
